Sources of Income

This is defined as ‘money from all sources before any deductions such as income taxes, social security taxes, insurance premiums, charitable contributions and bonds’.

Income Documentation

Documentation for income includes the following:-

- Salaries
- Wages
- Net earnings from self-employment
- Royalties and Commissions
- Tips
- Business profits
- Rents, Interest, Dividends
- Unemployment compensation
- Scholarships
- Child support
- Veterans Benefits
- Social Security cash benefits

- Alimony

Income does **not** refer to the following:

Capital gains from primary residence; assets withdrawn from a bank; car; tax refunds; gifts; loans; lump-sum inheritances; one-time insurance payments. Compensation for injury must not be included as income unless it is received for DHEC provided treatment. The value of food and fuel produced and consumed on value of rent from a owner-occupied housing would also be exempt when computing a client's income.

The SC ADAP retains the right to request additional information and/or documents to determine income eligibility. The SC ADAP retains the right to change income eligibility requirements without notice.

Determining Household

The household is defined as the patient, the patient's spouse, dependent children, or dependent adults.
